THE COMPETITION

Open to club golfers aged 35+. There are 15 age and handicap divisions – participants are guaranteed to play with golfers of a similar age and standard.

THE ORGANISATION

Go Golfing has hosted 'Masters' golf tournaments in Australia and New Zealand for the past 18 years. Their Mitsubishi World Masters attracts 1,000 golfers from all over the world to Australia's Gold Coast each October. **Club golfers will enjoy a tournament experience usually reserved for the Pro's.** Leaderboards, professional event management and operations, airport + golf transfers, golf club valet service between courses, friendly and experienced caddies. Golfasian, founders of Golf In A Kingdom, are highly experienced ground operators looking after the ground arrangements.

SUMMER TIME

This event will be so good that European's will want to participate – even though they don't typically travel in summer. More than 400 European golfers travel to play in the World Amateur at Myrtle Beach around the same time each year . . . so it is possible. **Our package is great value with many inclusions + low season (cheap) airfares will make the total package very attractive.**
